What's New for the 2023 IHPA Annual Conference & Trade Show?

We are bending over backwards to make our members know they are valued. How are we doing that?

- For starters we have enlisted a monster line-up of 5 big speakers from the U.S. and Canada; Jamie Ellis, Marla Spivak, Ian Steppler, Lewis Bartlett, and Tom Seeley. That makes this the biggest conference in the Midwest!
- We are also shouldering some of the costs for registration and knocking down prices to just \$70 for our members.
- We've listened to your suggestions and now have an option for those who just want to attend 1 day of our conference at a discounted rate.
- We also have added a 2nd evening of entertainment so that one day guests will get the same value/experiences as 2 day guests.
 - Friday evening will now be a Queen & Presidential reception for mingling and enjoying free hors d'oeuvres and appetizers provided by IHPA, along with a cash bar that will be open for your enjoyment.
 - Saturday evening will now host the fancy dinner banquet with entertainment, awards ceremony, and live auction!
- We've kept prices low for both day's lunch options and you will find them to be very competitive with other offsite options in the area.
- Enjoy free coffee and pastry selections all morning long on both days. This is something membership has greatly
 missed in the past several years and we have brought it back!
- And for the first 350 attendees, receive a commemorative pin with your lanyard. Pin it to your lanyard or whatever you want and come back each following conference to proudly show off your years of attendance!
